From the desk of President

Dear Aagan Supporter, I want to take this opportunity to thank you for everything you've done for us and the Society we serve! With the Coronavirus outbreak, 2021 is proving to be a challenging year - the pandemic is leaving a trail of destruction for marginalized communities and their children. But I, have faith that with you by our side, we'll be able to do everything we can to help them survive and thrive even in a COVID world. This may be the toughest crisis that we'll face in our lifetimes but together, we can ensure that coming generations continue to hope of a brighter future. With faith & goodwill, I, Ajay Garg, President of the Society hope for the betterment for the world from this pandemic and tough time. AAGAN FOUNDATION is the organization to serve the community. Since with big population in our area we would like to serve huge number of the needy but that is possible if you continue to help us with full mental, and financial support that you have been giving for decades. Over the years, society has undertaken many campaigns relating to social issues like; Awareness Program for Female Feticide, Handicapped Training Programme, Drug Abused and Dedication Camp, Old Age Care Programme, Education and Computer Training Programme, Adult Education Training Programme, Aids and Cancer Programme, Child Feticide Awareness Camp, Literacy Training Camp, Elimination of Child Labor Program, Consumer Awareness Program, Environment and Plantation Program, Health and family Planning Camp, Women Empowerment Programme, Awareness Camp on Environment, Aids Control Programme, Polythene Free Street Campaign, Affordable Community Drinking Water Project, Aa VyapaarKar le!!, KavyaGosthi, Khula Samaad Cornoa Winners Ke Saath, Family Disaster Management Plan, Jab Hua Ek Yodha Corona Ka Shikar Tab Usne Liya Kaun Kaun Se Upchar.

From the desk of President

Our main initiative is to aware the public about education, cleanliness, self – employment generation awareness and helping hand, promotion of art & culture and availability of affordable drinking water in the community. I, along with our entire Executive Committee, ensure that we make ethical judgments and take collective accountability for the work we do. We all have been systematically working since last year to strengthen our systems, bring in more efficiency and thus increase our impact for the children and people of community. We would perpetuate to be 'the first to reach and last to leave' during any humanitarian crisis. Inculcation for poor children strives to be the most dynamic and adaptable Society in the child rights space. For us, it's 'People of the Community first — today, tomorrow and always' we owe it to each one of you who has fortified us in our peregrination. Thank you and blissful reading and stay safe and healthy!

PROGRAMMES/ ACTIVITIES DURING THE YEAR

01

Program Motto- Educational Empowerment

Education is the only thing through which the major upliftment of the society can be done. First activity of the year is considering the motto of educational empowerment in the area. To promote education and provide support to children's who want to pursue further studies, Aagan Foundation takes initiative of providing 100% scholarship for admission in 10th for those who are willing to pursue higher studies but are restricted because of lack of resources resulting into School dropout. For this purpose the scholarship was extended to 4 students during the year under review. The students were selected randomly and were admitted in National School of Open Learning.

The RO Drinking Water Project

Drinking water is major challenge. The water is lifeline whereas the unclean water is prime source of disease. Government College, Tigaon caters to more than 2000 students. Presently they are facing challenge of clean water. Installation of jumbo reverse osmosis water plant (Community RO Water Plant) will be yeoman service. This will help in better health of these students resulting into better attendance further resulting into better results and will go long way in building healthy youth. RO machines also releases waste water which can be used for watering the plant and other functions.

PROGRAMMES/ ACTIVITIES DURING THE YEAR

Program Motto- Promoting Consumer Awareness

The foundation celebrates the World Consumer Rights Day from 15th March, 2023 to 20th March and for this purpose events were organized on daily basis in the nearby localities in three school in Old Faridabad to make people aware of the rights available under the Consumer Protection Act, 1986. In schools target was the staff because they can impart this knowledge to students. The program organized quiz also and audiences were provided snacks also. There is huge response for the campaign and people show their willingness in knowing the basic rules governing the consumer interest. Also they actively raise their queries to know precaution before and after purchasing goods & services. The participants also informed about local authority to which they can make the request and procedure to file a request and remedies available in various circumstances. Also they take initiative to convey the same to other people also.
